ABOUT US

Petro Trade Incorporated is a leading downstream petroleum company in Liberia, delivering reliable, high-quality energy solutions that support businesses, institutions, and communities nationwide. As a fully licensed importer, distributor, and retailer of petroleum products, Petro Trade operates across the value chain from importation and storage to bulk distribution and a growing retail station network.

The company supplies light and heavy petroleum products, LPG, bitumen, and lubricants, and is the authorized distributor of Shell lubricants in Liberia. Guided by international best practices, Petro Trade holds ISO 9001, ISO 14001, and ISO 45001 certifications, reflecting its commitment to quality, safety, and environmental responsibility.

With modern infrastructure, customer-focused services, and an ambitious expansion strategy, Petro Trade continues to strengthen its role as a trusted and forward-looking energy partner in Liberia.

OUR VISION

Our vision is to be the undisputed market leader in our industry and a trusted partner to businesses, government, and society.

OUR MISSION

Our mission is to provide a consistent, reliable supply of high-quality petroleum products to the Liberian market, with a positive impact on the environment.

WHAT WE DO?

Petro Trade offers a comprehensive portfolio of petroleum products and energy services designed to meet the diverse needs of retail, commercial, and institutional customers across Liberia.

Our product range includes gasoline, diesel, heavy fuel oil, LPG, bitumen, lubricants, and petroleum equipment, all supplied through a reliable and well-controlled supply chain. Complementing our products, we provide value-added services such as bulk fuel delivery, storage solutions, retail fueling, fleet and fuel management systems, and after-sales support.

Every offering is delivered with a strong emphasis on quality, safety, efficiency, and responsiveness –ensuring our customers receive dependable solutions that support uninterrupted operations and long-term success.

OUR NETWORK

Petro Trade operates a growing network of sixteen (16) modern, fully automated service stations strategically located across Liberia, delivering convenient, reliable energy solutions to both urban and regional markets. Building on this strong foundation, the company has nine (9) additional stations planned for 2026, completing the first phase of a 25-station development program.

Looking ahead, Petro Trade’s long-term growth strategy targets fifty (50) service stations by 2030, reinforcing its commitment to nationwide coverage, consistent service quality, and meeting Liberia’s expanding energy needs.

OUR SERVICES

RETAIL

We have sixteen (16) strategically located service stations across Liberia, and provide a range of fuels, lubricants, and other related services. Our Customer Attendants are adequately trained to meet our customers' needs with an exceptional theme of customer service.

STORAGE

Fuel storage, monitoring, and dispensing facilities are provided upon request by clients and based on the contract volume.

BULK DELIVERY

Petro Trade's bulk delivery system delivers your product directly to your facility. Our fuel tankers range in capacity from 2,500-8,000 gallons and are fully equipped with meters and seals to ensure accurate and timely deliveries to our valued customers. Bulk delivery service is available throughout the country.

AFTER SALES

Our after-sales service covers tank calibration and monitoring the condition of the products supplied. At Petro Trade, our clients are our main focus. We believe that customer satisfaction is key and a boost to our integrity.

SMART PAYMENT AND FUEL MANAGEMENT SOLUTIONS

Petro Trade offers secure, flexible, and technology-driven payment and fuel management solutions designed to give customers greater control, transparency, and convenience. Through fuel cards, high-security fuel coupons, and Automatic Vehicle Identification (AVI), we help businesses and individuals manage fuel usage more efficiently, reduce losses, and streamline transactions across our nationwide service station network. These solutions reflect our commitment to innovation, accountability, and customer-focused service delivery.

BULK AND COMMERCIAL SUPPLY

Petro Trade provides dependable bulk fuel supply solutions tailored to the needs of commercial, institutional, and industrial clients. With calibrated tanker fleets, GPS tracking, and flexible delivery capacities, we ensure accurate, timely, and secure deliveries nationwide. Our team works closely with clients to design supply arrangements that support uninterrupted operations and cost control.

ISO CERTIFICATIONS

Petro Trade has maintained ISO 9001:2015 certification since 2018 and expanded its compliance framework in 2025 with ISO 14001:2015 and ISO 45001:2018. All certifications are issued by SGS, supported by in-house certified audit leaders.

OUR TEAM

Petro Trade is led by an experienced management team with deep expertise in petroleum trading, operations, health and safety, quality management, and customer service. Our team combines local market knowledge with international best practices to ensure safe, efficient, and compliant operations across our network.

Supported by trained technical staff and customer-facing professionals, the Petro Trade team works collaboratively to deliver reliable energy solutions and build long-term partnerships with our clients.
